TEXTILES—Mill Cloth and Yarn—Transfer of licence in favour of legal heirs—Instructions.

DEVELOPMENT DEPARTMENT.

G.O. Ms. No.61. Dated the 4th January 1952.

Read: From the Director of Controlled Commodities, Madras, Rc.C4-112079/51, dated 3-11-1951.

ORDER:

The Director of Controlled Commodities has raised the question whether vacancies caused by the demise of the dealers in mill Cloth can be filled up by transfering their licences in favour of their legal heirs. The Government consider that the heirs have in relation to the business in mill cloth or yarn all the rights and liabilities of the licensees, that one of these rights is the right to continue the business and that business cannot be continued otherwise than under licences granted by the Government. When the dealers pass away and their legal heirs want to carry on the business it is but proper and legitimate that their licences in mill cloth or yarn are transferred to the legal heirs. The ban on the issue of licences in cloth imposed in G.O. Ms. No.2546, Development, dated the 1st June 1951 will not apply to cases of death and consequent devolution of interest on heirs.
